

AMENDMENTS TO THE DRAWINGS

Please insert original Figure 1, attached hereto.

REMARKS

The office action issued by the Examiner and the citations referred to in the office action have been carefully considered.

Specification

The disclosure is objected to because Page 3, [0010] of application's description references accompanying drawings not included in the application submittals.

This informality has been corrected.

Claim Rejections under 35 USC § 112

Claim 3 is rejected as being indefinite for failing to particularly point out and distinctly claim the subject matter that application regards as the invention. It is respectfully submitted that Claims 1, 2 and 3 are now distinct. This rejection should now be withdrawn.

Claim Rejections under 35 USC § 102

Claims 1-3 are rejected as being anticipated by Barry, *Space Shuttle Payload Customer Support Tools: Orbiter-in-a-Box*. Claims 1, 2 and 3 have been amended as set forth above so as to overcome this rejection. It is respectfully submitted that not each and every claim limitation set forth in amended claims 1 through 3 are present in the Barry article.

It is respectfully submitted that all of the Examiner's objections have been successfully traversed and that the application is now in order for allowance. Accordingly, reconsideration of the application and allowance thereof is courteously solicited.

The Director is authorized to charge \$1,020.00 for a three-month extension of time to respond, as well as any additional fee(s) or any underpayment of fee(s), or to credit any overpayments to **Deposit Account Number 50-2638**. Respectfully submitted,
